

Revolutionise Fleet Management with Auto-Planning

Faster route planning | Lower fuel costs | Better delivery performance

In partnership with Optimize 

Stop wasting hours on manual route planning with automated route planning that takes minutes, not hours. Vigo Auto-Planning transforms chaotic spreadsheets and inconsistent results into accurate, optimised routes in minutes - empowering your team to deliver faster, smarter, and more profitably every single day.

Why Choose Auto-Planning?

Save Hours Every Week

Cut planning from 3-6 hours to minutes. Remove repetitive admin to free your team to focus on customer service and higher-value tasks.

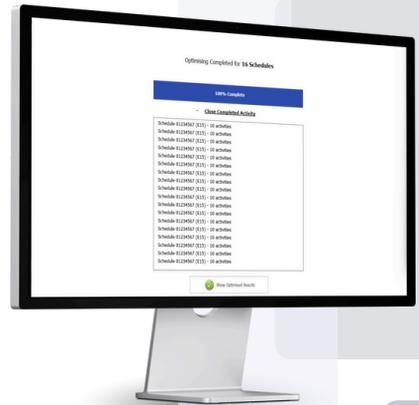

Lower Fuel and Mileage Costs

Efficient routes mean fewer miles, reduced fuel spend, and lower emissions - without adding vehicles.

Improve Accuracy and On-Time Delivery

Smart technology replaces guesswork, giving drivers clearer instructions and reducing missed or late deliveries.

Real Results, Real Impact:

"Vigo Auto-Planning cut our planning time from 4 hours to 12 minutes! The ROI is immediate."
